Effective: 27 January 2025

General information about the collection of personal data

Kustom AB (“**Kustom**”, “**We**”, “**Us**” and “**Our**”), Brahegatan 10, 114 37, Stockholm, Sweden, takes the protection of your personal data seriously. This Privacy Notice describes how Kustom processes and protects the personal data collected and processed in the context of automatically filling user information, letting users choose their preferred payment service provider and redirecting users to their preferred payment service provider according to their choice (together referred to as “**Kustom Checkout**”). This Privacy Notice consists of a “**Summary Notice**” (see below at section A.) and a “**Detailed Notice**” (see below at section B.)

Personal data (“**Personal Data**”) are any information (such as, for example, your name, your address, your email address, your telephone number, your bank details, your credit-card number, your IP address etc.) relating to an identified or identifiable natural person (“**Data Subject**”). Your Personal Data are processed by Us only in accordance with the provisions of the Regulation (EU) 2016/679 (EU General Data Protection Regulation, “**GDPR**”) and other provisions of applicable national data protection laws.

This Privacy Notice relates exclusively to the Kustom Checkout. In the event that you are directed via links from the Kustom Checkout to third-party websites (e.g., the website of a payment service provider), please refer to such websites for information about how these third parties handle Personal Data.

A. Summary Notice

1. Scope of application, Kustom Checkout and responsible data controller

This Privacy Notice exclusively applies to the collection and processing of Personal Data of users of the Kustom Checkout. This Privacy Notice does not apply to, in particular, the webshop into which the Kustom Checkout has been implemented (“**Webshop**”) by the provider of the Webshop (i.e., a third-party merchant, (“**Merchant**”)) and the processing of Personal Data by payment service providers selected by you during the checkout to pay for your order. Please review the privacy notice of the respective Merchant and/or payment provider for information on how they process your Personal Data.

If Kustom can identify you, the Kustom Checkout may autofill some information in the purchase flow, such as your name, address, telephone number, email address and date of birth (hereafter collectively referred to as “**Autofill**”). Autofill relies on either or both of the following methods:

(a) Autofill through input of limited information

While interacting with the Kustom Checkout, you may be asked to provide Personal Data. The Personal Data you provide is then retained by the Kustom Checkout. If Kustom recognizes you when you interact with the Kustom Checkout at a later point in time based on certain Personal Data you enter to the Kustom Checkout (such as your email address and zip code), Kustom Checkout autofills other Personal Data previously provided. This happens both, when you interact with the Kustom Checkout in the same Webshop in which you first entered the data for the Kustom Checkout or in the Kustom Checkout integrated in the Webshop of another Merchant.

(b) **Autofill through Kustom Checkout cookies:**

We might place Kustom Checkout-cookies on your device (computer, tablet, mobile phone, etc.). You may choose to store your Personal Data such as your name, address, telephone number, email, address date of birth, personal identification number, and preferred payment provider with the Kustom Checkout. If so, the Kustom Checkout-cookies fetch that information from the Kustom Checkout's storage and help Autofill it when shopping with the Kustom Checkout in the future.

When you are shopping on a Kustom Checkout connected Merchant's Webshop, the Kustom Checkout may also use information the Merchant shared with Us to enhance the interaction with the Kustom Checkout and improve your shopping experience. In either case Personal Data is retained by the Kustom Checkout to facilitate future interactions. All Personal Data collected by Us to provide the Kustom Checkout is handled in accordance with this Privacy Notice.

The responsible data controller for any Personal Data collected and processed in connection with the use of the Kustom Checkout is Kustom. Should another controller process Personal Data about how you use the Kustom Checkout, you will be provided with a separate privacy notice.

If you do not want to use the Autofill functionalities, you can disable them by accessing your Autofill settings. You can access these settings by clicking Manage Autofill Settings during the purchase process. You can at any given time delete all cookies on Your device, which deletes Our cookies as well.
